**Saturday,
September 10**

Adopt-a-Saturday

Preparation for the Barton County Area Habitat for Humanity partner family home is almost complete. The local chapter for HFH is looking for community volunteers to help with completion of construction starting in September. What a great way for our church to reach out to the community and embrace a family in need of quality housing.

I strongly encourage all members to take advantage of this compassionate opportunity. Our congregation will be designated the weekend of September 10 to help with framing, wrapping, roofing, insulation, or whatever needs to be done. No prior experience or expertise needed. Come as you are!!! Of course, you may volunteer for any time. A sign-up sheet for September 10 will be in the Narthex for the next two months. More details will be posted as they come.
